

Statistic handbook

Götzis Mehrkampfmeeting

1975 - 2007

The well known combined events statistician **Hans van KUIJEN** from the Netherlands will publish a statistic handbook of the history of the **Götzis Mehrkampfmeeting**.

This handbook will include the following information:

- All meeting results from 1975 - 2007
- Meeting history with high lights during this period
- Overview of participating countries and number of participants per country
- Total entries per athlete
- Scorings per country and athlete based on top 8 positions
- Country index
- All time best rankings with all performances above 8.000 points men and 6.000 points women
- Top 10 scores per event
- Index of all participating athletes during meeting history

It will contain 100 pages with information of the Götzis meetings printed in A5 format. The price of this handbook is EUR 17,50 (*incl. post and packaging costs*) and it will be available in November 2007
